Dear Booksellers,

Start the new year by diving into new worlds and hidden adventures in these books from Hardie Grant!

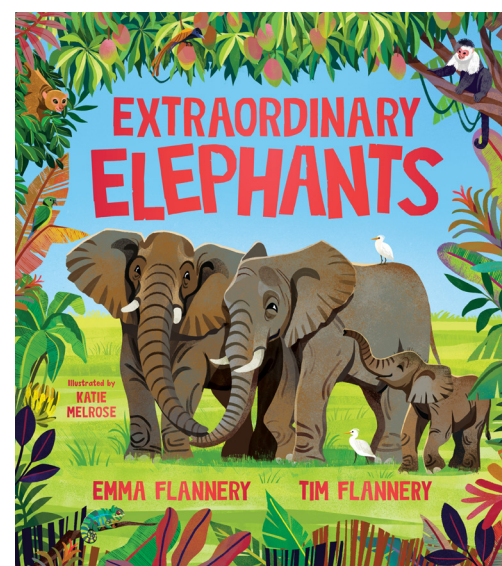

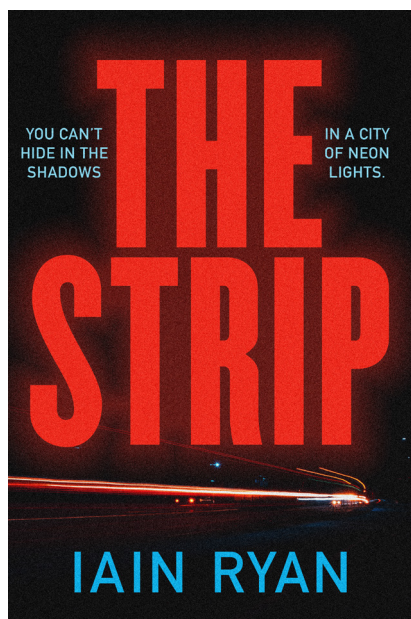

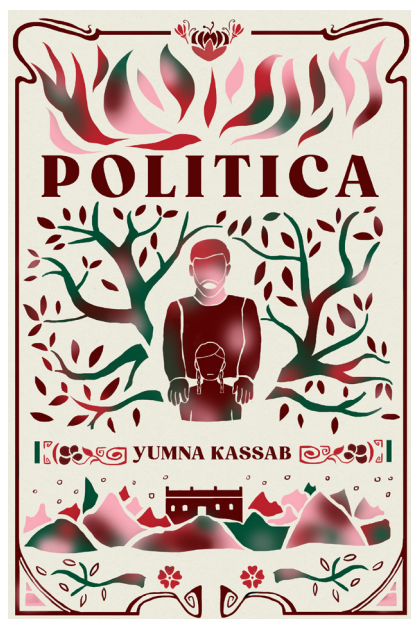

Veganise your favourite Chinese dishes at home with *Vegan Chinese Food*, from the founders of the hugely popular food blog *littlericenoodle*, Yang Liu and Katharina Pinczolits. There's a favourite recipe here for everyone – all easy, delicious and 100 per cent plant-based. And don't miss the fully revised and updated second edition of *Top Walks in New South Wales*, featuring a total of 66 routes and six completely new tracks included!

From Ultimo Press comes *The Strip*, a gripping crime thriller, based on real-life events, that paints a vivid portrait of a time and place where corruption and ambition reign supreme. *Politica* is a captivating literary journey that delves into the intertwined lives of a town, its people, and a region shaped by revolution and war, from the acclaimed author of *The House of Yousef*, *Australiana* and *The Lovers*, Yumna Kassab.

Dive into the captivating world of majestic pachyderms with *Extraordinary Elephants*, the latest gem in Team Flannery's enthralling animal picture-book series! Uncover the remarkable tales hidden beneath the mammoth façade – from their remarkable memory to their endearing humour. Walk with wonder as you discover their tippy-toed journeys and meet their surprising cousins. Join the renowned scientist Tim Flannery and his daughter Emma on an exhilarating expedition spotlighting the world's most captivating creatures. With stunning illustrations by Katie Melrose, this large-format picture book is a gift of knowledge and delight for young nature enthusiasts.
