DRAFT COVER

Dear Booksellers,

Get the year underway with these titles from Hardie Grant!

Journey to Malaysia with chef Junda Khoo in his new cookbook, *Ho Jiak*. Featuring more than 100 staple dishes, this rich collection of recipes showcases a dynamic cuisine steeped in tradition, from street food classics to true homestyle cooking. Then travel back to 1975 in Kristine Philipp's *Girl Friday*, a hilarious and moving memoir about Australian women at work, pay inequality and the alienating nature of the modern workforce. From the Explore team comes *Escape to Nature*, a stunning guidebook to 75 of Australia's most unique and awe-inspiring national parks, carefully selected by the Australian Geographic team!

From Ultimo Press comes *Just Friends*, which explores modern friendship – what it means to be, to make and, sometimes, to lose a friend. It is a celebration of friendship, shining a light on the many different forms they can take and the comfort they provide, whether they exist within the workplace, emerge in motherhood, are uncovered inside our neighbourhoods, or become our chosen family.

Discover the groundbreaking *Anti-Racism Kit* – your ultimate companion in dismantling racism. Tailored for Australian high school students, this guide is a beacon of change. Crafted by brilliant young minds, Sabina Patawaran and Jinyoung Kim, this liberating journey immerses you in anti-racism and racial justice. Unveil the power of self-transformation, reshape schools, and revolutionise society. With insights on privilege, safe confrontation, and rising above, you'll be equipped to drive change.
