

## The Briefing

March 2024

Featuring: Megan Hess, Natalie Paull,  
Erin Phillips, Sulari Gentill, Liz Ledden & Makoto Koji

Dear Booksellers,

Take a gander at these ultra-flavourful titles from Hardie Grant!

This month Megan Hess returns with two new additions to her *Through a Fashion Eye* and *Young Queens* series: *London* and *The Velvet Messenger*!

Sweet-toothed superstar and bestselling baker Natalie Paull is also back with *Beatrix Bakes: Another Slice*, an all-new essential companion for anyone who always leaves room for dessert. Featuring 70 recipes, it includes some of Nat's most beloved bakes that were not in the first book.

From AFLW icon and basketball legend Erin Phillips' comes her inspiring memoir *Inside Out*, the perfect feel-good story of a powerful woman doing amazing things and juggling work, life and family, which will resonate beyond just sports fans.

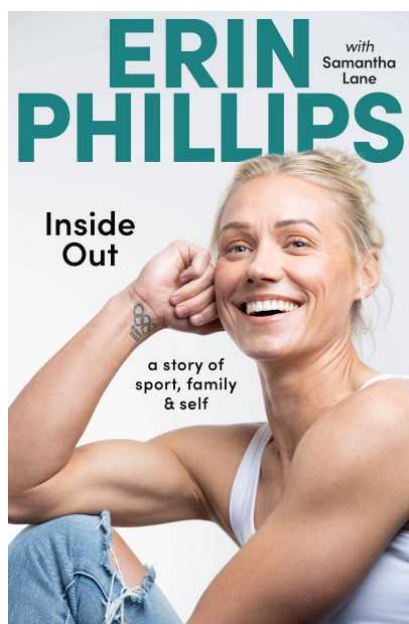

From Ultimo Press comes *The Mystery Writer*, the next novel from award-winning author, Sulari Gentill. After a famous author Theo befriends turns up dead and she finds herself the prime suspect, Theo uncovers a web of deceit, conspiracy, and hidden motives, with clues leading her to a shadowy online platform called The Shield. With her own life in danger, Theo must unravel the mystery before she becomes the next victim.

*Everyone Wants an Octopus Book!* is a thought-provoking story about the importance of representation in books and media. Inky the octopus wants to read a book with a character that looks like them. With their best friend, Quack the duck, they scour every shelf, but all they seem to find are more books about ducks! Why aren't there any stories with octopuses? They decide maybe it's time for one.
