Featuring:

Genevieve Rosen & Bed Threads, Tina Makereti, Christine Gregory, Elisa Chenoweth, Tim & Emma Flannery & Katie Melrose

Dear Booksellers,

Discover enchanting locations and narratives with these picks from Hardie Grant.

The Makers, presented by Bed Threads, takes you to 50+ inspiring home and studio tours nested by creatives living in New York, London, Los Angeles, Sydney, Melbourne and beyond. No matter where you are in your life, from your first apartment to your forever home, *The Makers* is a reminder to tune into your taste, follow your instincts and, most of all, have fun when decorating.

From Ultimo Press comes *The Community*, a fast-paced and thrilling debut crime novel by Christine Gregory. Investigative journalist Lars Nilsson is recovering from a public fall

from grace in the idyllic town of Steels Creek when a backpacker's body is found floating in a nearby waterhole. Lars is compelled to investigate, but what he finds may not only destroy his tightknit community but also the life he has worked so hard to rebuild. Tina Makereti's tender and fierce novel *The Mires* follows three very different women who end up as neighbours in a coastal town in Aotearoa New Zealand. Quiet tension grows with the arrival of a dangerous newcomer, while the swamp beneath their street is watching and waiting.

From debut author Elisa Chenoweth comes *Maria Petranelli is Prepared for Anything (Except This)*, the winner of the Ampersand Prize! When Maria signs up to go to Italy on

student exchange, she ends up accidentally witnessing a crime and gets kidnapped! This she can handle. Working out her feelings for the sweet-but-hopeless American exchange student Kennedy though? That's another story. This sapphic grumpy and sunshine romcom is big-hearted, hilariously awkward, and perfect for ages 12+.

Did you know that jellyfish can thrive in waters that would suffocate other sea creatures? Come along on an exciting expedition with the world-renowned scientist and explorer Tim Flannery and his daughter Emma as they take a look at the fascinating *Jiggliest Jellyfish!*
