Featuring

Gareth Whitton & Catherine Way, Emma Shaw, Zahid Gamieldien, Liz Evans, Lachlann Carter & Douglas Holgate

Dear Booksellers,

Embark on new and epic adventures with these picks from Hardie Grant.

A world of showstopping circular bakes awaits in *Tarts Anon*, a guide from the team behind the legend to baking a stunning tart, every time. Featuring 50 different recipes from beloved classics to savoury crowd-pleasers, this book contains all the knowledge and inspiration you need to become a tart master. *Ultimate Island Escapes* by travel blogger Emma Shaw, the latest entry in the Ultimate series, takes you to 30 of the best island trips Australia has to offer. From the iconic, such as the Whitsundays, to the hidden ocean gems, like Great Keppel, every state and territory has an island waiting

to be explored.

From Ultimo Press comes *All the Missing Children* by Zahid Gamieldien, a gripping tale of human frailty and the other-worldly. Ilene, a working-class mother, is struggling to survive and desperate to reconnect with her children in the aftermath of a near-fatal tragedy. But her children vanish, setting off a chain reaction within the community and everyone must confront the mystery of what really happened.

Abandoned by her lover, Kate has become obsessed with Vee, her 'replacement' in *Catherine Wheel* by Liz Evans. Warm and trusting, single-mother Vee has no idea that her new friend Kate has a cruel agenda. Against a backdrop of ancient ghosts and long-buried

tragedy, the past and present will collide with devastating consequences.

From debut author Lachlann Carter and illustrator Douglas Holgate comes the first in a riotously funny and absurd hybrid graphic-fiction series that smashes together the spookiness of *Twilight Zone* with the craziness of *Adventure Time*! Maddie and Clare live in a quiet, palm tree-lined dead end with their dad and pet chicken. It's not a place where much happens, except for the odd small incident. Like a mass uprising of angry chairs. But other than that, things are pretty boring in Dead End. You can see why Maddie and Clare have to make their own fun...
