## Golf

### ■ Am I able to hire a golf cart?

The Dunes and Lost Farm are walk courses only. We can however offer escorted carts to those with a medical condition that prohibits them from being able to walk the course. An escorted ride means having a caddy who will drive the cart as self-drive is not permitted on our courses.

Costs are \$40 per round for the motorised cart (payable to the pro shop on the day) and a minimum of \$80 to the caddy (paid directly to the caddy at the completion of the round in cash only). An escorted cart can only take the one passenger (with a medical certificate); however, it can take two golf bags.

For those walking, pull buggies are included in the package price.

To book a motorised cart please contact the Barnbougale reservations team: [reservations@barnbougale.com.au](mailto:reservations@barnbougale.com.au) or (03) 6310 8400.

### ■ How will the competition be scored?

The competition will be scored using the Stableford scoring system. The Stableford system, rather than counting the total number of strokes taken, involves scoring points based on the number of strokes taken at each hole. The objective in Stableford, therefore, is to have the highest score – unlike traditional scoring methods.

### ■ How will the teams and playing groups be chosen?

The Halliday Cup will be played in pairs, chosen based on the preferences provided in the additional information form that all participants should have completed.

Each group on the course will be a group of four players. The event is a pairs competition so if three people have booked together – two of them will be a pair (for the event), the other player will be paired up with another single that has booked for the event, but all three (plus the 3rd persons partner) will play in a group.

### ■ I don't have a handicap; will I be assigned one?

Yes, we will allocate a handicap to those without an official GA Handicap. This will be 18 for men and 24 for women.

### ■ Do you have a dress code on course?

All golfers are required to wear a collared shirt on course. Golf shoes are preferred however soft soled shoes e.g. sneakers are acceptable.
